## ICTC Monthly

### September 2016

Greetings Coalition Members,

Welcome to the second edition of the ICTC Monthly! It was wonderful seeing so many familiar and new faces at our recent quarterly meeting. We hope to expand our reach within Illinois, and add more ICTC members in this next year. We are dedicated to the prevention and treatment of childhood trauma, but we can only be as successful as our Coalition is strong. If you know of anyone who would benefit from joining the Coalition, please refer them to us at [ictc@luriechildrens.org](mailto:ictc@luriechildrens.org) or 312.227.8318 for more information.

As always, if you have important news to share, job openings, funding opportunities, or relevant information related to childhood trauma, we want to hear from you! Please reach out to us at [ictc@luriechildrens.org](mailto:ictc@luriechildrens.org) to be included in next month's newsletter.

## In the Spotlight

We have BIG news to celebrate with the Coalition, and we're very excited to share it! This month has been an exciting time for Illinois Childhood Trauma Coalition members, and we want to highlight two huge accomplishments for our State: the NCTSN and SAMHSA grantees! We couldn't be more proud of the work that each of our members is putting forward and we want to celebrate these achievements! Click [HERE](#) for a list of grantees and a brief description of their projects.

### ICTC Business

On September 1st, 2016, the ICTC hosted its quarterly meeting at Lurie Children's Hospital. The meeting was a great success, and the Coalition was introduced to the Center for Childhood Resilience operations team who are now overseeing ICTC affairs. If you were unable to attend

or call-in to the meeting, please click [HERE](#) for the meeting notes that were recently distributed. In addition, a short survey was sent out to get your feedback in order to help us improve our communication strategy. Please click [HERE](#) to submit your helpful response.

## Professional Development & Funding Opportunities
